Dear All,

On behalf of everyone at Linkage, I would like to offer you a very special "thank you" for your generous donation of £1,200, to benefit the residents of Linkage. We were delighted to receive this gift from Harp Road Club, as an appropriate and sensitive gift to the memory of Bryan Hutt, an active past member of the club.

As you may be aware, we receive fees and statutory income which cover our costs for the College students and for the work we do within our Care Services, but we do not receive any statutory income towards the other things we do that add real value to the lives of our students and service-users. Donations like yours are crucial to helping our young people prepare for work and find meaningful employment, as well as enhancing their experience here, at Linkage.

We are currently encouraging donations from all sectors towards our work and our vision of a society in which people with disabilities can realise their full potential and live as independently as their abilities and disabilities allow. Your generosity is greatly appreciated and we look forward to updating you on our achievements at a later date.

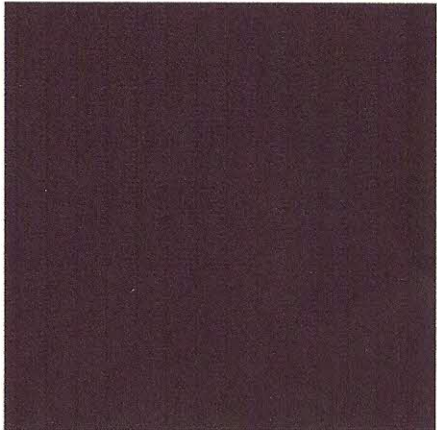

With kindest regards  
Yours sincerely

Christine Saxon  
Development & Fundraising Manager
