Thank you for your kind donation of: **£400.00**

Donations from supporters like you mean we're always there to care for those dogs who really need a second chance. And of course Dogs Trust is unique in its policy to never put a healthy dog to sleep, but to look after the dogs at our Rehoming Centres for as long as they need our help.

We look after thousands of dogs every year, so on behalf of them all - thank you!!

Kind regards

Dear Richard,

A huge thank you for supporting us with your kind gift of £400.

Here at Mind, we believe that no one should have to face a mental health problem alone, and we will not stop until we achieve this.

Your generosity will help us to offer vital support for everyone affected by mental health problems. It will also help us to fight for better care, services and respect through our campaigning work.

On behalf of everyone whose lives your gift will touch, thank you so much. You've done something amazing.
