The Photos

Turnout for the monthly Harp club runs, which started this year after a discussion at the 2011 AGM, has been a little disappointing. The mid-week runs

seem to be more popular than the Sunday ones with one of the the better turn outs in July for the run that started and finished at The Hub in Redbourn.

The occasion being Barry's visit, over from New Zealand. He emigrated in 1965 so a lot of memories to rekindle. We wanted to mark the occasion in some way but in view of the lack of bikes, not to mention lycra, we thought the more difficult option of the association with the Betsey Wynne pub (good choice by the way, great selection of beers), might just get us a mention in the past members record."

DBY managed to get his hands on the Olympic torch when his god daughter Rebecca carried it

through part of Birmingham raising money for a local cancer charity.
