## OCTOBER 2019 ISSUE

Welcome to the October 2019 issue of the HalfLink.

### 2019 AGM

The 2019 AGM will take place on Wednesday 23<sup>rd</sup> October at the usual venue, Blackwells Cafe, Chipperfield, with a club run beforehand if the weather is favourable.

### WELWYN TRACK DONATION

During the last track meeting of the season, on Friday 13<sup>th</sup> September, a cheque drawn from club funds was presented to the Welwyn Wheelers to help towards the cost of resurfacing the track at Gosling Stadium. Many of our club members have raced at the track in years gone by and were happy to help preserve the track for coming generations.

The presentation was made by Mick, Dave and Denny to Peter Waghorn MBE and Andrew Brown Welwyn Wheelers President, with ex member Tony Woodford sneaking in to the photo.

The Harp track championships were held at Welwyn track during the 1970's with the cut and thrust of the sprint captured in the following photos.

## CAUGHT ON CAMERA

## RACING CAPS

Racing caps have been ordered from Epic-Orange with delivery slated for 2<sup>nd</sup> week in November. ForceGB with whom we have our club kit shop don't supply racing caps so we had to look elsewhere.

As suggested by one of the Dave's the caps will make it easier for riders at the Harp Hilly to recognise Harp members if they need help or have any queries.

## ALISTAIR ASHER

As most of you know, sadly, ex member Alistair Asher passed away during the year after a very short, sudden illness.

He joined us for the 80<sup>th</sup> anniversary club ride at Haddenham last year and is well remembered from when he raced for the Harp in the 80's
